Forwarded by

Robert Smith

At 11.30 a.m. on 9-6-34 on verbal instructions from D.D.O. I went to the premises of the Bus Company situated at 1171 Connaught Road and produced before Mr. Shetter, the Manager, a S.S.D. Court Warrant of Arrest for Bus Driver 407 Wong Zang Kwai (王長貴) and requested assistance to execute it, the document having been duly countersigned by M.B.M.'s Court Registrar. Mr. Shetter informed me that Bus Driver No. 407 Wong Zang Kwai is at present on leave from his employment and is not due to resume until June 18, 1934. I requested particulars of the driver's address and Mr. Shetter called for the man's record card. This was found to bear the address of 17 Robison Road, which particulars were supplied by the driver at the time of engagement. A visit to Robison Road however proved that this address is not longer existent.

As the Warrant expires at 12 midnight on 9-6-34 it will be returned to Superintendent Whiting i/c Judicial Police along with a copy of this report for his information.

Office i/c Special Branch.
